

## Henna Tattoo Permission Slip

**-Signed permission slip is required at time of registration**

-Program is limited to 12 participants

I give permission for my child, \_\_\_\_\_, to participate in the Henna tattoo program at the Cudahy Family Library on Wednesday, August 9, 2017 from 2:00 pm – 4:00 pm. I understand that, during this program, henna\* will be applied to hands, arms, or ankles, to create a temporary tattoo. The design may stay on as long as three weeks. Participants will receive one design. I understand that the Cudahy Family Library, nor the City of Cudahy, nor any of its employees will be held responsible for any harm that could result from participation in this event. If your child has any allergies, please take special consideration before signing this form.

Signature of Parent/Guardian: \_\_\_\_\_

Phone: \_\_\_\_\_ Date: \_\_\_\_\_

Email: \_\_\_\_\_

\* Henna body art is made by applying henna paste to the skin, where it will then make a temporary red-brown stain. Henna is made from a flowering plant grown in tropical and subtropical regions. This art form has been practiced for centuries in India, Africa, and the Middle East.
