OUR VISION

The Cudahy Family Library serves as a resource that fosters our community's connection to the heritage of the past, the opportunities of the present, and the possibilities of the future.

OUR MISSION

The Cudahy Family Library promotes lifelong learning by striving to meet the informational and recreational needs of our patrons, providing access to services, materials and information in a variety of formats.

Our mission statement is anchored by the commitment to intellectual freedom for all.

Recognizing that our Library cannot meet all the demands of the community, the Cudahy Family Library is a member of the Milwaukee County Federated Library System (MCFLS) and the Library Council of Southeastern Wisconsin, Inc. Membership in these organizations provides the opportunity to strengthen the resources of the Cudahy Family Library and offers additional access to information for Cudahy residents from academic, public, and special libraries in the county and in the state.
